

# Event Info

Congratulations on your engagement! We are excited to share some more details with you regarding hosting your wedding at the Bluebird Barn. Our barn can host a wedding up to 120 guests inside, if you are using the barn to serve food and having an outdoor event the property can host quite a few more guests. The farm sits on just over 300 acres in the beautiful PNW mountains, offering wooded areas as well as beautiful hay meadows for pictures and video. There are endless possibilities for setup and style! We do provide table and chairs for the event!
